The 49th Annual Coastal Edge East Coast Surfing Championships has been sanctioned as an ASP 4-Star event which means high-ranking competitors, greater visibility and more visitors to our resort city August 22 - 28, 2011. The \$85,000 Vans Pro and the \$20,000 Vans Pro Junior will be the richest prize purse ever in our history and will make this year's Coastal Edge ECSC one of the largest surfing events held on the East Coast to date. Thanks to Coastal Edge, Vans, the City of Virginia Beach, ASP and the entire surfing community and all the other sponsors who made this goal a reality.
